Company Over View

"A Story of Trust. A Legacy of Excellence."

For over 12 years, ACG Interiors & Advertising LLC has built a strong foundation of trust, reliability, and excellence across the GCC. What began as a vision to deliver quality-driven solutions has evolved into a multidisciplinary company recognized for its innovation, precision, and commitment to client success.

Today, ACG stands as an award-winning solutions provider, delivering integrated services across Interior Fit-Out, Advertising, Events, and Steel Solutions. Our dedication to excellence was proudly recognized when we were honored as the Best Business Solution Partner at the Dubai Corporate Show 2025, reinforcing our position as a trusted industry leader.

At the core of our journey lies a unique strength the ability to bring multiple disciplines together under one roof. This integrated approach allows us to ensure seamless coordination, enhanced efficiency, and superior quality across every project we undertake. From concept to completion, we deliver end-to-end solutions with precision, creativity, and operational expertise.

Driven by a passion for excellence and a commitment to continuous growth, ACG continues to expand its footprint while maintaining the values that define us quality, reliability, and client satisfaction.

More than a company ACG is your complete business solution.

backdrops, welcome boards, promotional
flags photo booth branding, directional
signage and roll up stands.*

Facilities & Equipment

Our state-of-the-art facilities begin with a CAD-equipped design studio featuring BIM-compatible software and 3D rendering workstations to bring your concepts to life. We operate a fully equipped production floor with dedicated zones for steel, joinery, and finishing, supported by advanced CNC laser cutting, routing, and milling equipment for absolute precision.

Our robust manufacturing capabilities include professional MIG, TIG, and arc welding stations, complemented by rapid 3D printing prototyping for design models and custom components. Finally, every project is backed by our curated material showroom and an extensive in-house inventory of AV and LED technology, alongside rigorous testing and commissioning protocols to ensure on-site safety and peak performance.

ACG Quality Standards

Our Integrated Quality, Safety & Environmental Management System

Our comprehensive commitment to project success is underpinned by a holistic Quality Assurance Framework that seamlessly integrates international compliance with rigorous internal process controls. We maintain uncompromised standards by unifying our dedicated safety and environmental stewardship cultures with precise, standardized operational procedures across every division. Guided by a relentless focus on client transparency, uncompromised milestone sign-offs, and continuous betterment, our operational blueprint is built upon the following key foundational pillars:
